Create A Wall

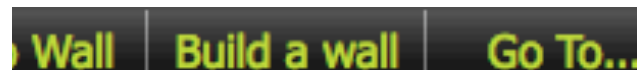

1. **Open your preferred web browser** and navigate to the Wall Wisher Web site:

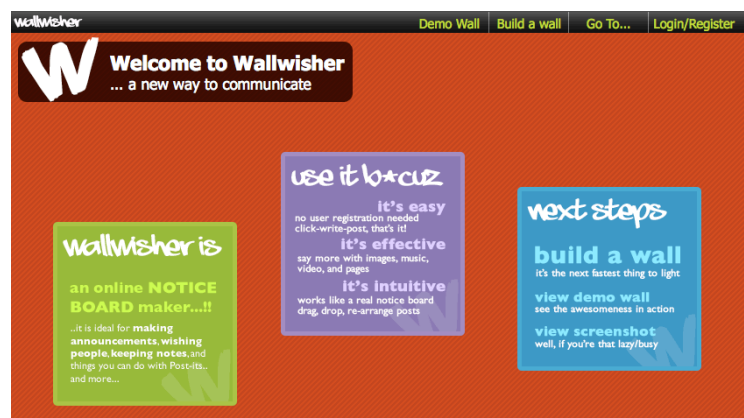

<http://www.wallwisher.com>

2. **Select “Build a Wall”**

from the site and select the following: theme, name, image, title, subtitle and then click **“DONE”** when you have made your choices. (you cannot move on unless you have entered the information)

3. **Add a linear array of 5-7 words** from your subject area that you will use with your students. **Double Click to add a word to the wall--you must click OK in the lower right corner** to add the word.

4. **Share your wall with another person in your traveling group** and have them try your wall.
